Sick Leave Analysis

Total Sick Leaves: 67

Highest Sick Leave: Qurat Ul Ain (7 days)

Second Highest: Arfa Shahnawaz (6 days), Aroosa Binte Mushtaq (6 days)

Key Insights:

- Majority teachers fall in 3–5 sick leave range, showing normal health-related absences
- Only 2 teachers exceeded 6 sick leaves (slightly higher than average)
- Few cases of very low sick leave (1–3 days) indicate strong attendance consistency
- Sick leave pattern is balanced, no extreme outliers overall
- Total sick leave load is moderate and distributed across staff

Final Observation:

- Sick leave usage is controlled and fairly distributed, with no major concern of excessive

medical absences in the dataset.
